

Start Position: Starting in Box A, pistol loaded and holstered. Shotgun staged on table in building, in the 2nd bay. Shotgun will be loaded (safety on).

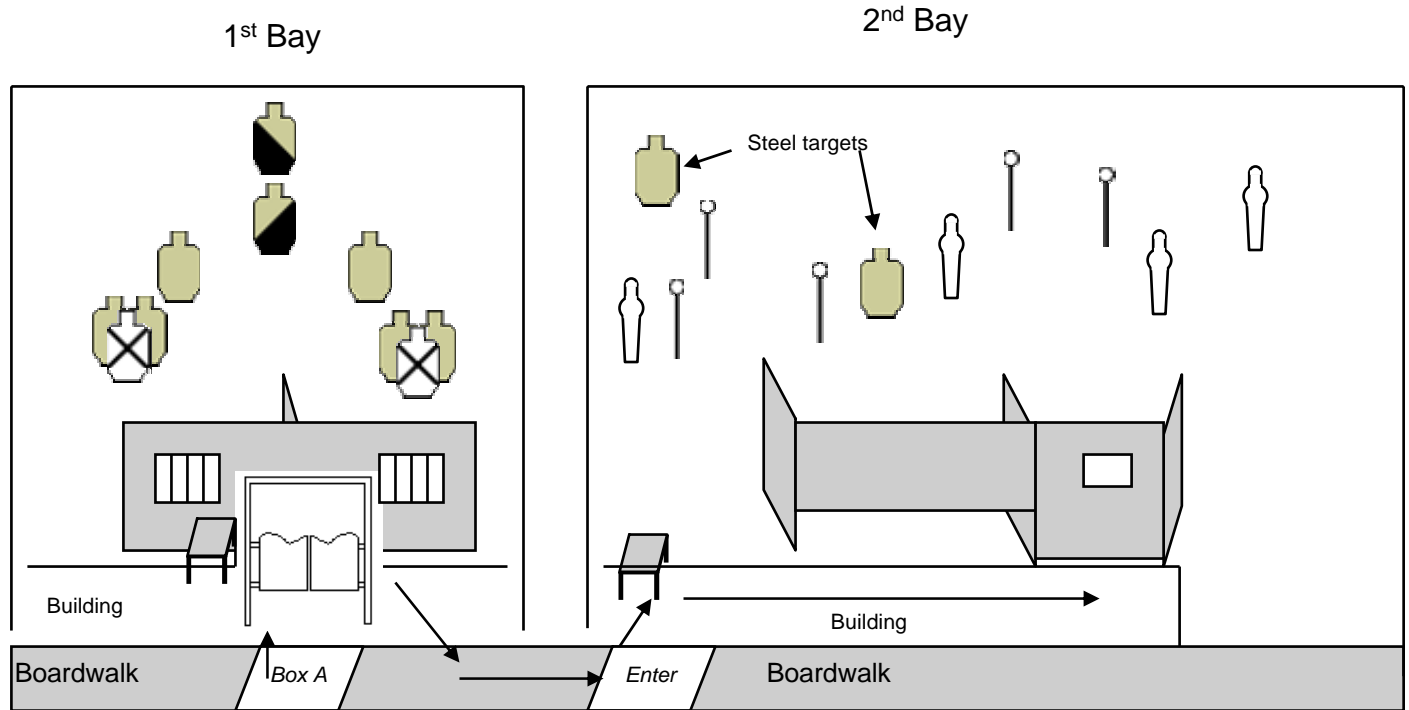

Stage Procedure: At the start signal, enter building engaging targets with pistol, thru ports only (bars are soft cover). Ground empty pistol on table and then exit building. Move down boardwalk, enter building in 2nd bay. Pick up shotgun off table and engage poppers, clays and plates as they appear.

Notes: All cardboard targets will be engaged with two rds. each. Poppers and plates must fall and clays must break to score. Refer to rules on proper grounding of firearms. The building is the fault line for engaging targets (shooters can not step out of building to engage targets).
