August 8th: Northwoods

August 15th...Oconomowoc

September 18th and 19th...Wisconsin Section Championship, Augusta

September 26th...Holmen

We continue the WI Point Series Championship in 2021. The only requirement for the series is that each competitor must be a current member of USPSA. Wisconsin residency is not required to participate in the Point Series.

You may enter the Point Series anytime during the year; but only Point Series matches from the time of the paid entry forward will count. Shooters may change divisions during the year with notification to the Point Series Coordinators, with Point series match points for the previous division forfeited, and only the new division matches from the time of the change notification forward counted. Credits for the matches attended prior to the change in divisions for the prize drawings and for slots will still count.

The fee to join the Point Series is \$25, which will be used toward the awards and prize drawing. The date, time, and location of the Point Series party at the end of the season will be announced. Checks should be made out to **WISCONSIN SECTION**.

The Section shall count **at least 60% of the matches during a given calendar year, rounded up to the nearest whole number**, of the designated Point Series matches, which includes the WI Section match, to determine the Point Series final results; for 2021, 6 matches will count. Should one or more Point Series matches be cancelled by the participating clubs, the maximum number of matches that will be counted will be reduced so that **at least 60%, rounded up to the nearest whole number**, of the matches count.

Awards and national slots will be distributed according to the WI Section Point Series rules posted on the website. With continuing changes in the structure of the USPSA National Championships from year-to-year, please be sure to read the Point Series rules for an explanation of National Championship slot distributions.

Each participant will also be eligible for a random prize drawing. This year the first prize will be a firearm (**TBD**). Each participant will be entered once for entering the Point Series, once for attending the end of season party, and once for each Point Series match attended, with the WI Section earning two entries. The prize drawing will be held at the awards banquet scheduled at the end of the season on 04 December 2021 at a location **TBD**.

To register, fill out the lower portion, tear off and mail with fee to Points Series Coordinator at the address above. Make checks payable to: **Wisconsin Section**
